**University of Nebraska at Omaha**  
**Academic Department Indicators: Academic Year 2022-2023**

**Glossary**

Academic Department Indicators is a summary of state-funded instructional activity carried out by UNO faculty during an academic year period. Based on data collection schedule, faculty FTE, salaries, and Student Credit Hours data are fall and spring terms. Counts of students by plans and minors and faculty tenure density are fall term only. Counts of UNO degree conferred include graduates in August, December and May, which is on the same cycle as IPEDS completion report. The glossary explains the data and calculations used in each section of the report.

**I. Faculty Instructional Productivity**

ADI Part I reports faculty instructional productivity in the academic year period.

**FTE Faculty Total:** The Full-Time Equivalent (FTE) faculty total column represents the state-funded portion of academic year (fall and spring) faculty who are on active appointments and who are instructor of records and teaching assistants who are instructor of record or assigned to teaching related duties any time during the academic year.

Instructional FTE and credit hours taught by the faculty are reported in the faculty's primary appointment department. Conventionally, all full-time instructional faculty including department chairs are counted as one (1.0) instructional FTE, except for those with external funded workload assignments. In this case, the full-time faculty's teaching FTE are reduced by the hours assigned to external funded activities. Part-time faculty's instructional FTE are mostly based on credit hours taught and are summed to an FTE equivalency in the department where they are funded to teach courses. Part-time faculty include college Deans, researchers, administrators, B-line staff, off-campus instructors and any other instructors who taught courses on a term-based appointment during the academic year.

**Unit Faculty Salaries:** The salaries column is a sum of all academic year (fall and spring) faculty and teaching assistants on active appointments who are instructor of record or assigned teaching related duties anytime during the academic year. Only State-supported faculty and teaching assistant salaries are included. Twelve-month faculty salaries are adjusted by .75 to an academic year (9-month) equivalent.

**Percent of Salaries:** Department/Unit salaries are shown as a percentage of the college total salaries and as a percentage of campus total salaries.

**Academic Year SCH:** The student credit hours are academic year, reported by level of the course, and in the faculty's primary appointment department/unit (regardless of the curriculum). One and two-hundred numbered courses are "Lower Division", three and four-hundred numbered courses "Upper Division", and eight and nine-hundred numbered courses are "Graduate Level". Credit hours including cross-listed course hours are attributed to the faculty's home department that funds the teaching.

**Percent of SCH:** Academic year (fall and spring) student credit hours generated by the faculty in an academic department/unit are shown as a percentage of the college total credit hours and as a percentage of the total campus credit hours.

**SCH/Faculty FTE Ratio:** This ratio represents the academic year faculty teaching workload and is calculated as the total SCH divided by Full Time Equivalent (FTE) Faculty. For the current year, SCH/FTE ratios are also reported for full-time, part-time, and teaching assistant categories.

## **II. Faculty Tenure Density**

ADI Part II reports counts and percentages of tenured faculty out of the total tenure and tenure-track faculty in their tenure department. The data are generated by fall term campus personnel snapshot and matches the annual information reported to the Board of Regents.

**Tenured/Tenure Track:** The tenured faculty is a percent of the total who are tenured or on tenure-track.

## **III. Student Majors/Minors/Certificates**

ADI Part III reports the count of students in their plans and minors for the fall semester. All plans and minors are counted in the department responsible for the programs.

The **Undergrad** column counts all undergraduates seeking a bachelor's degree, except BMS (Bachelor of Multidisciplinary Studies--formally Bachelor of General Studies). The **BMS (BGS)** column counts BMS program students by concentration. The **UG/GR Minors** column counts undergraduate and graduate students with minors. The **Less Doct** column counts students in master's degree programs, including Eds. The **UR/GR Cert** column counts undergraduate and graduate students seeking certificates. The **Doct** column counts doctoral students.

## **IV. Degrees Conferred**

ADI Part IV reports UNO degrees conferred in summer, fall and spring terms, corresponding to IPEDS reporting cycle. The count of degrees includes double majors or more than one degree per person where applicable and is consistent with IPEDS Completion survey report guidelines.

The **BMS (BGS formerly)** column counts graduates by concentration. The **Other Bach** column counts all bachelor's degrees other than the BMS (BGS). The **Master** column counts all master degrees awarded, the **ED.S** column counts Specialist in Education degrees, the **Doct** column counts the doctoral degrees, and the **UG/GR Cert** column counts undergraduate and graduate certificates awarded.

## **V. SCH by Curriculum**

ADI Part V reports enrolled Student Credit Hours (SCH) in the curriculum administered by the academic units included in the report.

The percentages represent the distribution of SCH by course level (lower, upper, and graduate) and student classification (freshmen undecided, other freshmen/sophomore, junior/senior/special undergraduate, graduate in major, and all other graduates).

### **SCH Columns**

**Total SCH:** The total credit hours enrolled for the curriculum in the academic year (fall and spring terms).

**LD SCH:** The total credit hours enrolled in lower division curriculum (1000-2999 course number) in the academic year (fall and spring terms).

**UD SCH:** The total credit hours enrolled in upper division curriculum (3000-4999 course number) in the academic year (fall and spring terms).

**GR SCH:** The total credit hours enrolled in graduate division curriculum (8000-9999 course number) in the academic year (fall and spring terms).

### **Percentage Columns**

The percentages represent the distribution of course credit hours (lower, upper, and graduate division) enrolled by student classification (freshmen undecided, other freshmen/sophomore, junior/senior/special undergraduate, graduate in major, and all other graduates).

**Fresh Undec:** presents % of credit hours enrolled by undeclared/undecided freshmen in total course credit hours and in Lower Division (LD) course credit hours. Normally, undeclared/undecided freshmen take only lower division courses.

**Fresh/Soph:** presents % of credit hours enrolled by freshmen and sophomore in declared majors in total course credit hours, in Lower Division (LD) course credit hours, in Upper Division (UD) course credit hours, and in Graduate course credit hours if any.

**Jr/SR/Spec:** presents % of credit hours enrolled by junior, senior, or special undergraduate students in declared majors total course credit hours, in Lower Division (LD) course credit hours, in UPPER Division (UD) course credit hours and in Graduate course credit hours if any. Note: A special undergraduate may already hold a baccalaureate degree.

**Grad in Maj:** presents % of credit hours enrolled by graduate students taking courses in curriculum listed in their majors. This percentage is given for total course credit hours and Graduate course credit hours.

**All Other Grad:** presents % of credit hours enrolled by graduate students taking courses in curriculum listed outside their majors. This percentage is shown for total course credit hours and Graduate course credit hours.

**Grad Stu:** presents % of credit hours enrolled by all graduate students in the curriculum at the noted level. The percentage is given for Lower Division (LD) course credit hours and Upper Division (UD) course credit hours.

### **VI. Sections in Academic Year**

ADI Part VI reports course sections delivered by the curriculum department in the academic year period. Course sections identified with the same instructor, level, meeting time and place are combined to count as one section. Course sections are not combined when they are online, lower and upper cross-listed, on and off-campus cross-listed, TBA in meeting time and places, or could not be determined as one section.

Only sections with enrollment (at least 1 student) are included in the report. Sections housed under the Senior Vice Chancellor for Academic Affairs (ROTC, UD, HONORS) and Study Abroad Exchange are excluded.

**Total Organized Sections:** presents count of sections classified as organized sections such as lectures, practicum, labs, discussion sections that are structured with regularly meeting time and places.

**Undergraduate:** presents total undergraduate organized section count, count and percentage of organized sections with small enrollment (below 10 students), and total SCH enrolled in undergraduate organized sections. Note that some sections are small due to mandated small enrollments such as those established by the Nebraska State Department of Education for some Teacher Education courses.

**UG Lab/Disc:** presents count of sections and SCH enrolled in undergraduate labs/discussion sections.

**Graduate:** presents count of sections and SCH enrolled in graduate course sections excluding lab/discussion sections.

**Grad Labs/Disc:** presents count of sections and SCH enrolled in graduate lab/discussion sections.

**UG Individual Study:** presents headcount and SCH enrolled in undergraduate courses classified as individualized instruction such as reading, research, internships, independent study, field study, applied music courses that are not structured with regularly meeting time and places.

**GR Individual Study:** presents headcount and SCH enrolled in graduate courses classified as individualized instruction such as reading, research, internships, independent study, field study, applied music courses that are not structured with regularly meeting time and places.

**Total SCH:** presents total credit hours enrolled in the curriculum administered by the department. Total SCH matches total SCH in Part V as both are curriculum based.

### **Graduate Studies Summary**

At the request of the Dean of Graduate Studies, a summary of graduate credit hours, majors and minors, degrees conferred, and count of Organized Graduate Sections are added to the report. All of this information is presented in the academic department and college summaries in the detail section.

### **Supplemental Information**

The supplemental section provides useful departmental information on special university-wide programs. Except for Dual Enrollment, the information shown here also is included in the detail department and college academic indicators.

**Dual Enrollment:** allows academically talented students to earn college credit while still in high school. Dual enrollment can provide enhanced curriculum opportunities that help students remain engaged in their junior and senior year of high school and help prepare for college level work. The dual enrollment courses are fee-based and not counted in official campus credit hours or state-aided campus revenues. Dual enrollment courses are offered only fall and spring terms.

**Service Learning:** are regular courses that include community engagement projects and goals in the course requirements. Service learning are predominantly offered in fall and spring terms with a few in the summer.

**Internships for Credit:** are offered across many departments fall, spring and summer. The actual number of enrolled students is more meaningful than the number of sections which may vary from one enrollment to many.

**Distance Education:** is offered throughout the year as regular courses delivered by Internet and other distance technologies.

**Off-campus Courses:** offered throughout the year are regular courses mostly delivered at the Offutt site. The Offutt location is convenient for students with active military assignments but non-military persons also may enroll at this location.

**First-Year Experience:** courses integrate college success strategies with academic content. These are regular for-credit courses taught by faculty and University Division staff. First-Year Experience courses are offered only fall and spring terms.

**The Thompson Learning Community:** is designed to promote the academic success of UNO students receiving the William H. Thompson Scholarship. TLC consists of a sequence of common courses offered across campus academic departments. The TLC courses are offered fall and spring only.

**Summer SCH by Course Level:** reports summer SCH generated by level of curriculum under the sponsorship of a department or college, also as a percentage of the college and campus total credit hours. Summer SCH, combined with the total SCH of ADI Section V (SCH by Curriculum) provides the 12-month period (fall, spring, and summer) credit hours generated by the curriculum under the sponsorship of a department and college.
