Recap: previous project accomplishments

August 2022 through April 2023:

- Created and applied container profiles to all top containers + image glossary of 60+ top containers
- Barcoded all top containers
- Merged top containers for boxed-with collections
- Selectively created locations
- Completed data remediation to correct locations as top containers

What's next?

- Testing the circulation workflow!
- Aeon ArchivesSpace Client Addon - integrates the ArchivesSpace staff interface into the Aeon Client request form so that staff can search the records of their ArchivesSpace instance and import details into Aeon requests.

Thank you.
