In Every Name

Charanpreet K. Sasan

So many people I come across
Each one has a story
A life with all its moments
Joy and sadness
Emotions existing in all their glory

There are tinkerers and thinkers
Healers and listeners
But a special kind
Are just endless givers

But oh no! What happens if the clock stops?
Do we run out of time and give the
Unknown side a good ol' knock?
None of us knows what will happen then
The only thing in our control is what we do now
So c'mon let's begin!

See we had the best role models of them all
Those role models who gave so much
That now
Everything else looks small

Our first teachers, our first patients
A life lived with memories
And now forever in ours

Know your beautiful, selfless act
Will never go in vain
We will forever remember you
Carry you
And see you
In every name
