Language:	Latin

Custodial history

Deed-2

Scope and content

The James Greenwood Sr. and Jr., MDs papers consists of article drafts and reprints, professional correspondence, patient notes, journals, and photographs that document the careers of James Greenwood Sr. and James Greenwood Jr. in the fields of neuropsychiatry and neurosurgery, respectively.

Notes

Physical condition

The papers are generally in good condition. Some papers in Series I are fragile.

Immediate source of acquisition

Correspondence in physical control folder indicates donation by Dr. James Greenwood Jr., prior to 1982.

Restrictions on access

This collection is available for research. The material is mostly unrestricted with a few exceptions for patient records that are clearly marked on the appropriate box and folder number.

Conditions governing use

Copyright restrictions may apply. Permission to publish from this material must be facilitated through the repository, McGovern Historical Center.

Finding aids

Yes.

Related material

The Woodson Research Center at Rice University Fondren Library in Houston, Texas holds a related collection, Anderson-Greenwood Family History records.

Accruals

No accruals are expected.
