MEMORANDUM

On The Verge Or The Geography Of Yearning will be on stage at the Blackfriars Theatre April 18-22. Eric Overmyer's witty comedy begins in 1888 with three fearless women explorers who set out to discover the wonders of Terra Incognita and end up traveling through time and space to the 1950's and beyond. A humorous look at historical oddities and a fascinating investigation of the power of language, *On The Verge* celebrates, as Overmyer states, "the quality of yearning, courage, and imagination."

Tickets will be on sale beginning April 7th at the Blackfriars Theatre box office located on the first floor of Harkins Hall on the Providence College campus. The box office is open Monday to Friday 3-5 pm, and 1 hour prior to performances. Ticket prices are \$7 regular admission, \$5 senior citizen and PC faculty/staff, and \$3 for all students. Tickets may be purchased by mail order or in person at the box office during regular business hours.

Enclosed you will find a mail order form that would enable you to purchase advance tickets for your residents. For more information please contact the box office at X2218.
