EXECUTIVE SUMMARY

This document contains a list of the different events (conferences, seminars, webinars and workshops) which are organised by the project. This document will be updated and re-submitted at each reporting period.

TABLE OF CONTENTS

1. INTRODUCTION

This document contains a list of the different events (conferences, seminars, webinars and workshops) which are organised by the project. This document will be updated and re-submitted at each reporting period.

2. LIST OF EVENTS

To date no event has been organized. The first event, the 1st workshop with Advisory Board is planned to be hold in July 2021, once the deliverables D2.1 and D6.1 have been submitted.

- Title: 1st Workshop with the Advisory Board
    - o Date: expected in July 2021
    - o Location: webmeeting
    - o Content: This workshop is related to task 6.4 "Assessment and feedback by the Expert Advisory Board (EAB)". As stated in this task "the EAB's members will be invited to attend specific workshops linked to the plenary technical meetings of the project, where the main progresses of the project will be presented and discussed". In particular, this workshop will be focussed is the presentation and discussion with the EAB members of the outcome of the deliverables to be submitted by the end of June 2021.
        - ▪ D2.1. "Report on the needs and requirement analysis" generated from the information gathered from the different surveys and interviews with students and faculty members.
        - ▪ D6.1. "Key performance indicators (KPIs)". Within task 6.2, the preliminary definition of the KPIs to be used in this project to evaluate the results of the different actions has been revisited. As stated in task 6.4, during this workshop the defined KPIs will be contrasted with the EAB experts.
