Mr. Al Planas
Chairman, Sampaquita Festival

On the second Occasion of the Sampaquita Festival, I would like to express my congratulations and mabuhay to the Filipino community of Hawaii.

The Filipino community of Hawaii has responsibly furthered valuable economic and cultural contributions to the State of Hawaii. They have assisted in its growth from among the various ethnic groups, which have formed an American society unique to the United States.

The Filipinos have distinguished themselves in the land, the government, and in the various professions of science and the multi-occupational needs available to Hawaii.

I look forward to the advancement and perpetuation of your pride and honor -- a national heritage as beautiful as the Sampaquita -- the national flower of the Philippines.

Aloha,

DANIEL K. INOUE
United States Senator
