The Tradition Continues

Dear Sisters,

As we sit here in the New Orleans' Airport awaiting our flight home, we reflect on the experiences of our trip. Meeting and actually talking with National Council, seeing the sights of the Crescent City, sharing ritual and AOT with over 700 sisters, and finally coming home with silver, made our journey worthwhile.

Among the honors we received were honorary recognition for Panhellenic Contributions, a silver candy dish for achieving quota and maintaining ceiling for the biennium, and our most prestigious award of all, The Achievement Award. This ranks Delta Gamma within the top 24 chapters in the nations 176 and allows us to bring home a beautiful silver platter.

After our experiences we realize now that our chapter has the potential to become the best chapter in the nation, which would mean receiving the National Council Award. We have learned that it takes extensive support from our Alumnae and 110% from each collegian. The most important thing for each of us to remember is that it isn't out of reach any longer. The honorable, beautiful, and highest is right at our fingertips - we must not let it slip away.

Love and AOT,
Jennifer, Kelly, Kristi, Beth

Kappa Deltas At Western Making A Difference

Greeks at Western Making A Difference was the theme for this year's Greek Week at Western, and judging from KΔ's accomplishments at the award convocation, Kappa Deltas at Western make a major difference. KΔ's placed first in Greek Week tying with Chi Omega. Kappa Delta shined throughout by winning and placing in many of the week's events. Kappa Delta placed 1st in the banner competition with a three dimensional banner. KΔ also placed first in the blood drive with over 100% donation. Even without all our blood, KΔs managed to win 2nd place in Spring Sing and 1st place in Water Games. KΔ's spirit this year shined bright as they waved their green towels, hummed on their Kazoos, and shouted "Kappa Delta Towel Power."

Again this year Kappa Delta brought home not only the above mentioned awards but many awards based on hard work and much cooperation. Kappa Delta strolled down the aisle to win all but one Panhellenic award. The Panhellenic awards our chapter received were Outstanding Community and University Service, Outstanding Alumnae Involvement and Development, Excellence in Chapter Programming, Outstanding Campus Leadership and Involvement, Outstanding InterGreek Relations, and Most Improved Sorority. This week and our award only prove what we have always known, that KΔs are the honorable, beautiful and highest.

1600 Chestnut Street Gets A Facelift

1600 Chestnut Street is getting a much needed facelift. It began this Winter with the revamping of the upstairs kitchen. The kitchen was painted and papered by a few diehard workers. Several of the upstairs rooms' ceilings were replastered, and to keep this looking good, the roof was redone. Hard work and good deals made it possible to repaint many rooms this Summer including the basement and chapter room. The house should be in excellent shape for Rush.

Kelly Delta?

This year, due to the over-abundance of Kellys at the house, a request has been made that they be called by last names. Kelly Scott will be Scott and so on. This way half the chapter won't jump when someone says, "Kelly, you have a phone call!"

Kappa Delta's Scholarship 1st Priority

This past Spring Kappa Delta made an excellent showing on campus. Kappa Delta has the highest woman's average on Western Kentucky's campus. The whole chapter played a part in this achievement, but we never could have done it without two key people, Cindy Herbert and Gemma Huelsman, who last Fall received honors for having the highest Freshman and Sophomore Greek Woman's averages on campus. Again this past Spring they achieved 4.0's. Delta Gammas enthusiasm has showed through this year in many ways and in this scholarship, the most important way of all, we have showed that though KΔs are involved in everything, scholarship doesn't suffer.

Susan Stockton To Travel For Kappa Delta

Though Delta Gammas will miss our past president, Susan Stockton, she will continue to be a guiding force in Kappa Delta. Susan, who could never keep her mouth closed for long, will now be able to use her talent as a National Collegiate Advisor. Susan will tour the country and visit KΔ chapters to help with problems and give advice on improving existing ideas. Susan will be helping with Rush programs, procedures, reports, and traditions. This winter Susan flew to Dallas for an interview. Even though for several weeks this year Susan was not supposed to talk because of doctors orders, Susan won Most Outstanding Western Greek Woman during Greek Week. Delta Gammas will miss Susan greatly, but if Delta Gamma's achievements under her guidance are an example of what she can do, look out World, *Kappa Deltas are on the move!*

KΔs Rushing Into A New Year

This year Delta Gammas are working hard trying to prepare for Western's rush. Over 400 girls will be going through Rush, making for a hectic Rush week. With so many shiny pins, Rush workshop was very necessary and with the change of our Theme Party, we are all learning new songs and skits. Membership Chairman Kellie Winkenhoffer has held Rush workshops and in between the fun and the songs many props have been made. We are trying to place names with faces from recs also but 400 girls are a lot to remember.
