

Editorial

Neil Badmington

After last year's themed special issue, *Barthes Studies* returns this year to a general, un-themed format. The plan at present for our tenth volume in 2024 is to publish a special issue titled *Preparations*, guest-edited by Kate Briggs and Sunil Manghani.

As always, we welcome submissions for future volumes and proposals for themed special issues.

12 November 2023, Cardiff.
