Dear Gene.

As it is getting warm weather now I and Tom are thinking about a bicycle again, so we thought up a trade which will work out fine and you will agree on it. What we propose is to trade our old fly wheel bicycle for a new coaster brake bicycle, with a new frame. This Puchman cost more when it was new than a good bicycle, and it is as good as new. Let us hear from you
at once sincerely

Your nephew
John Cornell
Bradrick.
