

# MultiModX

## Integrated Passenger-Centric Planning of Multimodal Transport Networks

### Performance Assessment SOLUTION

Multimodal performance framework (KPIs) and evaluation platform for multimodal solutions, focusing on scheduling and disruption management.

### Schedule Design SOLUTION

Optimized air and rail network planning, reduced transfer waiting times for multimodal passengers by coordinating schedules based on expected demand.

### Disruption Management SOLUTION

Coordinated real-time adjustments to air and rail schedules and passenger allocation to minimize disruptions' impact.

Co-funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union. Neither the European Union nor the granting authority can be held responsible for them. Grant Agreement n° 101114815.
