Dear Brother Bailey,

From the first time I heard you at Sixth Avenue, I was impressed. You don't know how many times I've listened to your sermons on tape. I can practically quote some of them. You don't know how many times I've begun a sermon with "Here's how the Bible begins..." You don't know how much I admire and look up to you for your character, charisma, dedication, and ability. I think that most people with your level of talent have not chosen to use it for God's glory. But, you did. And, for that I am thankful. Your influence will last in my life and in the life of countless others until time is no more, and then it will go on throughout eternity. You have lifted up the Christ, and for that I want to lift you up this day. You're one of my greatest heroes.

Sincerely,

Justin Brasfield
