THE KAPPA SIGMA
FRATERNITY

THETA THETA CHAPTER
COLLEGE HEIGHTS, BOX 144
BOWLING GREEN, KENTUCKY 42101

12 December 1974

Dear Brothers,

A lot has happened since you have last heard from us actives here at Western. First of all is that we have had Chapter election of officers. The results of the election strongly reflects the modern concept of the ideals of a modern Fraternity. Officers for the next term are; Charlie Clarke, GM; Jim Knox, GP; John Wheeler, GMC; Walter Norris, GS; Skip Hubbach, GT. Charlie Clarke joined the Theta-Theta Chapter early this fall as a transfer from Millsaps, Alpha-Upsilon, Mississippi, after having served as GP of that chapter. Another transfer is Mike Travis from the University of Kentucky, the Beta-Nu Chapter. We welcome these Brothers into our Chapter.

Spring Formal has been set for April 4, 1975 at Barron River Resort Lodge. April 4th is a Friday and complete details have not been completed at this time as to menu, exact cost or the band we will be having. We have made advance room reservations, which must be confirmed no later than March 1, 1975. Let us hear from you ASAP if you plan to attend. Enclosed you will find a xerox copy of just what the Barron River Lodge has to offer.

This semester we have pledged 10 very good men and by the time you get this letter they should be initiated. We also pledged and initiated 12 Stardusters which are all very dear to our hearts. Our football record for this semester was 4-5-1, which is a great improvement over last fall.

In last years' Greek Week we tied first place in the blood donor drive which won us a free band from the IFC to have at a party in cooperation with the sorority who tied with us in first place. This celebration, you can be sure, we are looking forward to.

I am sorry to inform you that although we had the purchase of a house locked-up at the last time we wrote, the Bowling Green Zoning Commission denied us the zoning for a fraternity house which voided the purchase of the house we had planned on at that time. We are considering an appeal and have other houses under consideration at this time. We sure hope to be in a house before next fall. All of your contributions towards the house are greatly welcomed. In addition to the house fund, we have established a furnishing fund to buy furniture and such for the house when we do get it. In so far as can be seen, Kappa Sigma will be in its own Chapter house to welcome you back for homecoming 1975.

Founders' Day was held at Ireland's December 10th including a steak dinner at half price and awards given for the retiring officers and outstanding Chapter members. Our special thanks go to Rich Pearson, past GM, for his dedication to Theta-Theta and the Kappa Sigma Spirit which he represented during his term as GM.

The GS has had a few replies to the request for lineage info, but he still needs more to complete the chart. if you have not done so, please write, we want to hear from you. We plan to create a family tree to be attached to one of the walls of the Chapter Hall which will show all Kappa Sigmas initiated into this chapter and their lineage, please help out.

One last request. The address lists for alumni of this chapter as we have them on file here and at Memorial Headquarters differ and are a bit incomplete. If the address on this letter is not up-to-date or if you know the address of another Kappa Sigma who does not get a copy of this letter or of the Caduceus as he should, PLEASE send me his address.

Have a very happy holiday season and best wishes for the coming year, a very MERRY CHRISTMAS and HAPPY NEW YEAR from your Brothers in Kappa Sigma.

Fraternally Yours,

Walter Norris
Grand Scribe Theta-Theta
