FROM THE PRESIDENT Housing Corporation Report

The Housing Corporation has made many strides in improving the house this past year. A new roof and gutters were put on the front house this summer. We have also complied with the fire marshal's code requirements for both houses.

A new study room was added on to the back house, which was previously the garage. Tables and chairs were purchased for this new room from the donation Phillip (Chic) Burkeen made to the Century Club.

One of our last two mortgages will be paid off in August. Our final mortgage with First Federal S&L will be paid off in 1986.

This year is also our goal for renovation of the front house. We have taken care of preventive maintenance, but electrical and plumbing problems still exist. There has also been talk about buying adjoining property in a few years.

The chapter would like to express special thanks to Cliff Nahm, Phil Burkeen, and Greg Mallory for all their help in the last year.

Alumni Assistance Fund Report

Dear Alumni,
 We felt the time was here for a closer and continued contact with our alumni. The brothers have consented to let me be the coordinator of this step forward for Lambda Lambda Zeta. I have asked the chapter to not only start, but keep the newsletter moving (at least one per semester). I promise to keep my support and my eyes on this on-going project. Contact me if you have any questions or ideas: Donald L. Darnell, Box U-70, College Hts., Bowling Green, KY 42101; Phone (502) 842-6284.

I have listed the basic ideas for this project:

Newsletter: At least one per semester. A space for project reports — needs listed; amounts built-up; withdrawals and purpose.

Account at WKU Credit Union: A building fund - not many yearly withdrawals. For withdrawals - 2 signatures (Don Darnell and Housing Corp. president).

Not an additional emergency fund — Alumni will know where the money is spent.

Must have written estimates before any withdrawals.

Every Newsletter will have an Alumni Assistance Fund space.

Made legal and binding: No change or withdrawals without legal notification and purpose.

Copies: 1 fraternity files; 1 Don Darnell file, and 1 at lawyer's office.

Alumni, at least this is our start for a super project. Please give it some thought and I promise I will coordinate, check, and reply to any questions. Also, do you know anyone who may be coming to WKU next semester? If so, send us his name and address and let's keep in contact.

Yours in ZAX,
 Don Darnell
