The editors of this year's edition wish to thank Professor Jim Simeone for his guidance in compiling the seventh *Res Publica* and Professors Frank Boyd and Tari Renner, whose guidance was essential to the authors in their research.

This publication would not be possible without the many Political Science students who submitted their research for the selection process. We would also like to thank Student Senate for the funding that makes this publication possible.

Finally, we are very grateful to Brian Duffy and Jeanette Otis for helping us with technical difficulties.
