Thank you...

Many individuals spend countless hours creating and developing *Res Publica* each year. The editorial staff would like to offer our thanks to Patra Noonan for her technical assistance and layout/design expertise. Special thanks to Dr. Greg Shaw, *Res Publica* faculty advisor, for his leadership in editing and producing a quality finished product, and also to Dr. Jeffrey Murer for his technical and graphic design assistance. Finally, we would like to thank the officers and members of Pi Sigma Alpha, Illinois Wesleyan University's political science honors society, for their annual finding of this journal.
