KEYWORDS

atmospheric heatwaves, marine heatwaves, comparative analysis, rapid changes, future projections

A Corrigendum on

[Rapid changes in heatwaves pose dual challenge in Eastern China and its adjacent seas](#)

by Yao Y, Wang J and Zou X (2022) *Front. Mar. Sci.* 9:979391. doi: 10.3389/fmars.2022.979391

In the published article, there was an error in affiliation 1. Instead of “State Key Laboratory of Tropical Oceanography, South China Sea Institute of Oceanography, Chinese Academy of Sciences, Guangzhou, China”, it should be “State Key Laboratory of Tropical Oceanography, South China Sea Institute of Oceanology, Chinese Academy of Sciences, Guangzhou, China”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
