ROGER J. MINER
U.S. CIRCUIT JUDGE
ALBANY, NEW YORK

Dear Judge Miner:

I am currently a second year student at St. John's University School of Law and am interested in serving as your law clerk following my graduation in June 1993.

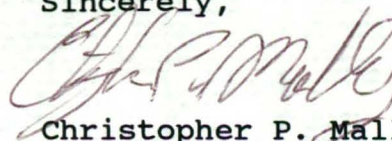

As you will note from my enclosed resume, I am a staff member of the St. John's Law Review. Participation in the editorial process has given me the opportunity to improve my research and writing skills. In addition, I have authored an article that will appear in the next issue of the law review.

I plan to work this summer at Fitzpatrick, Cella, Harper and Scinto, a Manhattan patent law firm. Although I have an interest in intellectual property law, I have a strong desire to acquire a broad base of legal experience before specializing in a particular area of law. A clerkship with your Court would be an unequalled opportunity to fulfill this goal and an honor I would value throughout my career.

I have enclosed a letter of recommendation from one of my professors, a writing sample and a transcript of my law school education. I have arranged for a second letter of recommendation to be sent separately.

I would appreciate the opportunity to meet with you to discuss my qualifications. I can be reached at the above address or by phone at (516) 678-1928. I look forward to hearing from you soon.

Sincerely,

Christopher P. Malloy
