Dear Judge:

Thank you for a very pleasant lunch last week. I enjoyed spending some time with you and greatly appreciate your advise to me. Thank you also for your offer to recommend me in certain applications; I have no doubt that a recommendation by you would be a big boost to any application of mine.

I find your positive experiences in government, academia and private practice to be very inspiring. I am carefully considering all of what you said and hope to be able to let you know soon what my next moves will be.

Best regards.

Yours truly,

Norman M. Feder
