Dear Judge:

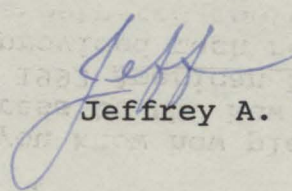

I wanted to let you know how pleased I was to see the article featuring your address to the New York City Bar Association in the January 1993 American Bar Association Journal. Once again, your thoughts provided much needed insight in an area where others have simply perpetuated confusion.

I also wanted to thank you for "Advice and Consent in Theory and Practice." I thoroughly enjoyed it, not only because it was an excellent lesson in our Constitutional history, but also because it brought back fond memories of being privy to your creative process in similar endeavors. The many attorneys in Atlanta with whom I have shared your remarks have had only high praise for them.

I hope that you and Mrs. Miner are well. Please give my regards to her, Shirley, Mary Ann, and everyone else in chambers.

Best wishes.

Sincerely,

Jeffrey A. Van Detta
