KEYWORDS

histamine, macrophage differentiation, bacterial infection, single-cell RNA sequencing, peritoneal cells

A Corrigendum on

Role of histamine-mediated macrophage differentiation in clearance of metastatic bacterial infection

By Kim KH, Park D, Cho SY, Cho Y, Lee B, Jeong H, Lee Y, Lee Y and Nam KT (2023) *Front. Immunol.* 14:1290191. doi: 10.3389/fimmu.2023.1290191

In the published article, there was an error in the Funding statement. The National Research Foundation (NRF)'s funding from "the Ministry of Science & ICT(RS-2023-00241446)" should be added. The correct Funding statement appears below.

FUNDING

This research was supported by the Basic Science Research Program through the National Research Foundation of Korea (NRF) funded by the Ministry of Education (2017R1A6A3A04009690, 2022R1A2C3007850, 2022M3A9F3016364), the Ministry of Science & ICT (RS-2023-00241446) and the Korea Mouse Phenotyping Project (NRF-2016M3A9D5A01952416).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
