**INSTRUCTIONS TO CONTRIBUTORS:** Manuscripts related to the journal's focus of teaching and learning are accepted for consideration for publication. Submissions may include: (1) a research article chronicling an original study, (2) an informed editorial on an issue relevant to the journal's focus, (3) a book review about a work that is less than 2 years old and is written by a prominent author about a relevant topic related to the journal's focus, or (4) a special feature essay related to current events in the university or community that are in some way linked to the focus of the journal. Manuscripts should be submitted online through Digital Commons. For more information about the submission process and formatting, please see [csuepress.columbusstate.edu/pil](https://csuepress.columbusstate.edu/pil).
