## A corrigendum on

Efficacy of an ACT and compassion-based ehealth program for self-management of chronic pain (iACTwithPain): study protocol for a randomized controlled trial

by Carvalho, S. A., Trindade, I. A., Duarte, J., Menezes, P., Patrão, B., Nogueira, M. R., Guiomar, R., Lapa, T., Pinto-Gouveia, J., and Castilho, P. (2021). *Front. Psychol.* 12:630766. doi: 10.3389/fpsyg.2021.630766

In the published article, there was an error in the Funding statement. Details regarding the funding bodies were erroneously excluded. The correct Funding statement appears below.

## Funding

This study was funded by the project PTDC/PSI-GER/28829/2017 | POCI-01-0145-FEDER-028829 by the Fundo Europeu de Desenvolvimento Regional (FEDER), through Portugal 2020 – Programa Operacional Competitividade e Internacionalização (POCI) and by the State budget, through the Fundação para a Ciência e Tecnologia, I.P. (FCT).

The role of this sponsor solely relates to the attribution of funding and monitoring of the project's evolution, according to the established chronogram. Study design, collection, management, analysis, and interpretation of data, writing of reports and outputs, and decisions to publish are the responsibility of this project's team.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
