My dear Gummy,

Heartiest congratulations and warmest wishes for great happiness through Daniel and nothing but happiness. What a formidable name to be born by such a little fellow. I never knew a Daniel personally and my associations with the name are merely biblical. But I love its connotation of courage and I hope it will bestow lots of it on your son. Courageous and fearless men are badly needed.

I wish I could pay you a visit and
get acquainted with Daniel and ^{with} you as
a heroes mother. Keuri hinted to Dunc
that perhaps ^{all of} you will come south to live
here as permanent residents in a short
while and I assure you I would greet
you as such from all my heart.

It is wonderful that you can feed Daniel
yourself. Everything said to the contrary,
I am convinced that it makes babyhood
and childhood and parenthood so much
more secure and healthy.

Love to all of you

Fondly yours,
Willy

Warmest congratulations and wishes
from me, too, with anticipation to see
the augmented family soon. Emma
