Dear Colleagues,

As the Fall 2023 semester winds to a close, we'd like to draw your attention to several key reminders and updates for researchers which were highlighted in the [Office of Research Compliance's Fall Newsletter](#):

- NSF's new RCR training requirement for faculty and senior personnel
- NSF Policy on Safe and Inclusive Working Environments
- IBC Registration Form requirement for all labs (research and/or educational) working with biological material BSL1 or higher
- IRB reminders

If you haven't already, we encourage you to [subscribe to the Research Compliance Newsletter](#) to receive future newsletters directly in your email inbox.
