# HUNGARIAN SCIENCE BIBLIOGRAPHY (MTMT)

---

- The MTMT was established in 2009 and ELTE joined the database in 2010.
- The MTMT aims to,
  - be a national database of individual and institutional scientific and other intellectual works,
  - provide authoritative information on individual and institutional scientific output.

# WHY IS MTMT GOOD FOR PROFESSORS AND RESEARCHERS?

---

National system

Building a personal scientific bibliography

Supporting submissions and evaluations for higher academic degrees, grants

Publicly available publication list and scientometrics table(s)

Shareable link: author's publication list

Collecting citations systematically

Widely known import-export formats

# WHAT DOES THE AUTHOR NEED TO DO?

---

Step 1: Registration

Step 2: Uploading publications

Step 3: Uploading citations

Step 4: Continuous updating of the publications list

Result: Increased visibility

# MTMT ADMINISTRATORS

---

- The professional management of the operation of the MTMT is provided by the University Library and Archives.
- The lecturers and students of ELTE can register into the system independently on the site of MTMT. With their requests and questions related to uploading and checking, they can primarily look for faculty and institute coordinators, as well as administrators.
- Their contact details:
  - <https://konyvtar.elte.hu/en/research-support/mtmt/administration>
