SABRAO MS-23-21 - Submitting article Eksternal Kotak Masuk x

Dr. Naqib Ullah KHAN <nukmarwat@yahoo.com> kepada saya ▾ Sab, 21 Jan 2023, 11.00 ☆ ↶ ⋮

Terjemahkan ke Indonesia x

Dear Authors

Thanks for sending the Research Manuscript to the SABRAO Journal of Breeding and Genetics, titled "**CHROMOSOMAL AND MOLECULAR CHARACTERISTICS OF CUCUMBER (*CUCUMIS SATIVUS* L.) CULTIVAR MERCY F1 HYBRID AND MUTANT**"

Your article has been assigned the number **SABRAO MS-23-21**. Kindly use this reference number for all future correspondence, please.

Kindly also go through the below points, and the comments on the attached manuscript, and follow them to resolve all the issues carefully in the manuscript, please.

1. Kindly **ONLY work on the attached file of your Manuscript (and NEVER work on the old files as I work on this file), please.**
2. Elaborate more on the "Introduction and Results Sections (as too much short) for justification of the study in light of the current Review, please.
3. The Summary must be around 220 to 250 words.
4. Kindly provide the "Key findings"

Dear Dr. Fathurrahman

Ref: **SABRAO MS-23-21 - with English Editing**

The English Editor completed the Editing of your manuscript very early, and therefore, I am sending back the following two files, you have to see both files, **to understand well the English Editing and the whole process, please.**

- a. **MS-23-21 - with English Editing**
- b. **MS-23-21 - Editing Accepted**

1. Kindly go well through the edited file of the article (a. **MS-23-21 - with English Editing**) word by word, and if you agree, then see the second file of the article (b. **MS-23-21 - Editing Accepted**) where I have accepted already all the corrections (additions and deletions) made through "Text Track Changes" by the English Editor.
2. Kindly **ONLY and ONLY WORK on file "b. MS-23-21 - Editing Accepted"** and never change the font and the paper style, and also **NEVER work on the OLD Files of the article, please.**
3. Overall, the write-up was very weak. Tables data were not fully covered in the text. however, Editor and I tried our best to cover all

Dear Authors

Ref: **SABRAO MS-23-21 - Review Reports**

The review of your manuscript has been completed. The reviewers have recommended that your paper **would be acceptable for publication after MODERATE REVISIONS.**

I request you to thoroughly read well the below 07 points, understand them well first, and then proceed, please.

1. Kindly ONLY work on one of the Edited Manuscript files of Any Reviewer as a **BASE FILE** and incorporate the comments as suggested by all the Reviewers in that file for improvement (**and please NEVER work on the old files of this article, please**).
2. Also, that newly added and corrected text must be shown with the blue color font (so as to easily identify), please.
3. Delete all the "Text Track Changes", and edited/corrected text (especially newly added text) must be provided with the blue color font.
4. You must provide a response to every comment of the reviewers point by point (to write their comments/questions and your answer) on a

Dear

I mentioned the below before also, please...

1. I need ONLY ONE file of the article (with the corrections/improvement suggested by all the Reviewers in one file, and that new / corrected text must be blue colored), please.
2. You must provide a response to every comment of the reviewers point by point (to write their comments/questions and your answer) on a separate page in a separate file.

Sincerely

Q SABRAO X [Aktif] UIRmail
