Seattle University Undergraduate Research Association

CELEBRATION  
OF  
STUDENT SCHOLARSHIP

May 20, 2011  
Seattle University Student Center

The Seattle University Undergraduate Research Association is sponsored by the Provost's Office and the Office of Research Services and Sponsored Projects (ORSSP).

Executive Advisor: Susan Jackels, Ph.D.,  
Department of Chemistry and Director, Office of Research Services and Sponsored  
Projects

Co-Advisors:

Sharon Cumberland, Ph.D., Department of English

Kristen Skogerboe, Ph.D., Department of Chemistry

Events for 2012:

All undergraduate students of Seattle University are invited to submit papers, posters, or panels in all disciplines and creative genres to the annual SUURA Celebration of Student Scholarship in May, 2012.

Undergraduate students are also invited to apply for subsidized attendance to the NCUR Conference at Weber State University in Ogden, Utah March 29-31, 2012 sponsored by the National Council of Undergraduate Research.

For further information: please contact the Office of Research Services and Sponsored Projects at [orssp@seattleu.edu](mailto:orssp@seattleu.edu).

## SCHEDULE OF EVENTS

- 8:30-9:00 Registration & Continental Breakfast, Hearth and Lobby
- 9:00-10:00 Plenary Session, Room 160A (LeRoux Room)
- Introduction to the Celebration of Student Scholarship: Dr. Susan Jackels, Director of the Office of Research Services and Sponsored Projects
  - Welcome Comments: President Stephen Sundborg, SJ
  - Introduction of Keynote Speaker: Dr. Kristen Skogerboe
  - Honored Keynote Alumna: Kristine Hope, Cornell University
- Kristine Hope is a 2004 graduate of Seattle University with a B.S. in Chemistry and a B.A. in Humanities. She hails from Seattle and graduated from Seattle Preparatory High School. During her time at SU she did undergraduate research at the Pacific Northwest Diabetes Research Institute. She is completing her doctoral studies in Immunology at Cornell University, researching hemorrhagic diseases in fish. She will speak about the importance of undergraduate research in her own personal development as a scholar and also give an overview of her research.
