Duration: ca. 19 minutes

The text consists of lines from Gao Xingjian's filmic poetry *Requiem for Beauty*, which was written in Chinese, and translated by Gilbert C. F. Fong. There are 14 sections in the poem. I selected and rearranged lines to create a 13-section text. For the soprano part, I implemented the transliteration pronunciation, the English translation of the poem and additional text-sound materials, which was obtained by breaking words into syllables.

### Text used in the soprano part.

The Mandarin part of the text is written in transliteration pronunciation. The corresponding translation is in the parenthesis.  
Transliteration is written in Pinyin, the Romanization system for Standard Chinese. Certain sound materials are written in International Phonetic Alphabet (IPA). See <https://en.wikipedia.org/wiki/Help:IPA/Mandarin> for the IPA representation of Standard Mandarin.  
\* sound material written in IPA  
\*\* series of phonemes written in IPA, for sound transformation, eventually transform into the word 'he' or 'her' as indicated  
\*\*\* The word 'room' is used to resemble the pronunciation of first part of the syllable of 'rumors'.

Heavy traffic, vehicles in an unending stream

All have become as distant as memories  
Listen, Beauty is no more, just like that!

How could that be possible?

## Text used in the actor part

### **IV**

The street is bright and illuminated  
Heavy traffic, vehicles in an unending stream  
But there's no sense of humanity  
This jungle of concrete and steel  
Countless glass panes  
Yet no sign of people  
A city built with money  
Standing tall within the dark abyss

A woman, even more illusory  
Vanishes completely into the misty mass  
No matter how changeful the face might be  
It's only a phantom in the mind  
Only sorrows are real enough  
To prompt successive associations  
Like mirages in the fog Chimerical, tenebrous, indistinct

### **VII**

The crowd is drifting among skyscrapers  
Cars are busy shuttling between lights  
People hustling, bustling all the time  
They don't know where they belong  
What are they shouting?  
What do they really want?  
What was that? What did you say?

Rumors spread in all directions  
Endless gossip, from the news, pours in  
Hamlet draws his sword from its scabbard  
But he can't find any enemy  
He doesn't know what to do  
He looks around, confused

### **XI**

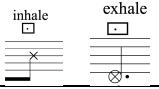

Another woman, her long hair is hanging down  
An old man kneels on both his knees  
Bizarre movements in succession  
All things happen without cause or effect  
You didn't know who he or she was  
You didn't understand their meaning  
The incident had happened already  
There's no need for explanation  
Besides, it's inexplicable  
Countless accidents  
Or so-called chances  
Some call them fate  
What you desire never comes

#### Source of tape recording

Clare Lesser, the soprano of the premier (June 7<sup>th</sup>, 2019) of this piece, recorded her reading of the text. The vocal recording is used as part of the electronics' sound generating process.

The clarinetist Chiung-Yu Ku recorded his clarinet playing for the pre-recorded parts of the electronics.

This musical score page contains ten staves, each representing a different instrument or group of instruments. The instruments listed from top to bottom are: Flute (Fl.), Bassoon (Bsn.), Bass Clarinet (B. Cl.), Clarinet (Cl.), Trombone (Tbn.), C. Bassoon (C. Bn.), Violin (Vln.), Viola (Vla.), Cello (Vc.), and Electric instrument (Elec.). The score is divided into two systems by a vertical bar. In the first system, the Flute, Bassoon, Bass Clarinet, Clarinet, and Trombone all play eighth-note patterns. The C. Bassoon and Trombone have dynamic markings of *p* and *mf*. The C. Bassoon has a dynamic *sforz.* and the Trombone has a dynamic *p*. The C. Bassoon and Trombone also have slurs over groups of notes. The second system begins with a dynamic *ff* for the Violin and Viola, followed by a *gliss.* (slide) instruction. The Violin then plays a sixteenth-note pattern with dynamics *mf* and *ppp*. The Viola follows with a similar sixteenth-note pattern with dynamics *mf'* and *ppp*. The Cello has a dynamic *ppp*. The Electric instrument part at the bottom left includes a tempo marking of *120* and a performance instruction of *(A/20)*.

Detailed description: The musical score consists of two systems of music, each with ten staves. The top system (measures 164-165) includes parts for Flute (Fl.), Bassoon (Bsn.), Clarinets (B♭ Cl., B. Cl.), Trombones (C. Bn.), Horn (Hn.), Trumpet (B♭ Tpt.), Bassoon (Tbn.), Tuba, and Piano (Pno.). The bottom system (measures 165-166) continues with the same instruments. The score features dynamic markings like ff>p, mf, f, pp, and ff<ff>p, along with various performance techniques such as glissando and grace notes. Measure 164 starts with sustained notes followed by rhythmic patterns. Measure 165 shows more complex harmonic movement with sustained notes and grace notes. Measure 166 concludes with dynamic shifts and sustained notes.

This musical score page shows a dynamic transition from forte to piano across various instruments. The woodwind section (Flute, Bassoon, Clarinet, Bass Clarinet) and brass section (Trombone) play eighth-note patterns at mezzo-forte, then transition to piano. The bassoon and trombone play eighth-note patterns at forte, then transition to piano. The piano part is represented by two staves. The strings (Violin, Cello, Double Bass) play sustained notes at pianississimo throughout the measure.
