Mae C. Jemison

Design pages (words and images) for a children's book or young adult book about Mae Jemison's life in space.

Sally Ride

Based on the Sally Ride quarter, create a currency design for the future roles of women in space.

Katherine Johnson

Propose or design a program of space exploration for girls. Explain the importance of having women leaders in space exploration.

Artemis Program

Write a proposal to be the first woman on the moon and state what you want to explore when you are there.

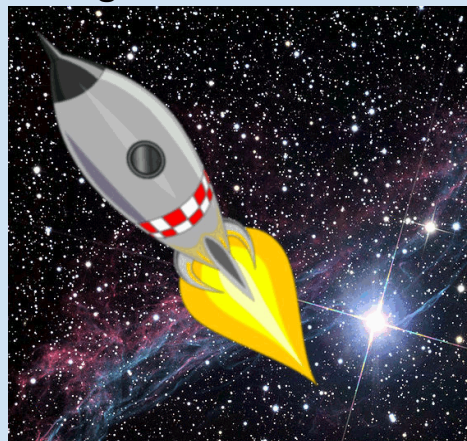

Astronaut Herstories

Create a graphic novel highlighting achievements and challenges of a woman astronaut who interests you.

Women in Space Explorations

Digital Choice Board

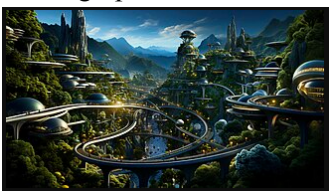

Movies About Space

Write a movie script about space explorations where women solve problems and demonstrate courage, skills, and commitments to justice and freedom.

AI Science Fiction

Have an AI draft a science fiction story about women leading peaceful space exploration. Then, revise the text into a Hollywood style movie script or graphic novel.

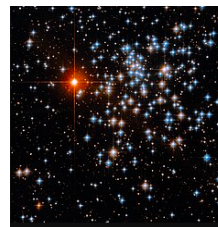

Women in Space Careers

Create a vision board of jobs or roles for women in aviation and/or space travel in the future.

Annie Jump Cannon

Create your own system for classifying stars like that of Annie Jump Cannon.

Christina Koch

Watch the 4th All-Female Spacewalk and design a motivational poster to encourage young girls to be part of a future All-Female spacewalk.
