A Corrigendum on

Lithium-ion battery second life: pathways, challenges and outlook

by Patel AN, Lander L, Ahuja J, Bulman J, Lum JKH, Pople JOD, Hales A, Patel Y and Edge JS (2024). *Front. Chem.* 12:1358417. doi: 10.3389/fchem.2024.1358417

In the published article, there was an error in the author list. Anisha N. Patel was erroneously excluded as shared senior author. The correct author list appears above. ([†]These authors share senior authorship.)

In the published article, there was an error in the **Funding** statement. The funding for open-access publication of the article had not been confirmed and therefore not been included. The correct statement appears below:

“The authors declare financial support was received for the research, authorship, and/or publication of this article. Funding sources supporting this work came from University of Bristol Postgraduate Research Scholarships to JB and Faraday Institution (grant number FIRG059) to JE and AH. Open access of this publication was funded by the Imperial College London Open Access Fund.”

The authors apologize for these errors and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
