## Book Review: TRY A BITE, TRILOBITE!

Trilobite and Bug are friends with different tastes in food. Trilobite only likes to eat noodles, while Bug prefers any kind of snack. Today Bug has a cupcake and tries to entice Trilobite to take a bite; however, Trilobite will not budge. After Bug's tricks and insistence, he takes a bite. Bug is worried about Trilobite's reaction to the taste of the cupcake but soon realizes Trilobite loves it. Bug offers another bite, and Trilobite eats the whole thing. Bug is surprised. Trilobite asks for more, but Bug does not have any more. Trilobite says that it's fine and shows Bug his pantry full of boxes of noodles.

This early reader is a fun read-aloud. Short sentences and excellent illustrations add to the storyline. Add this humorous title to your collection.
