Dear Editor,

We have tried many times to submit our manuscript via online website IJDDT, however we found many difficulties. Herewith we would like to publish an article entitled "OPTIMIZATION PERFORMANCE AND PHYSICAL STABILITY OF CIPROFLOXACIN HCL-Ca ALGINATE MICROSPHERES : EFFECT OF DIFFERENT CONCENTRATION OF ALGINATE AND CACL2 " in International Journal of Drug Delivery Technology as an Original Article. On behalf of all the contributors I will act and guarantor and will correspond with the journal from this point onward. Thank you and looking forward to waiting for your positive response.

Yours' sincerely,
