Dear Prof. Yulianti,

NOTE: This e-mail is sent to you as one of the contributing authors. If you are not corresponding author, please coordinate with the author designated by your group as the corresponding author for this manuscript

A manuscript has been submitted to our journal Dental Research Journal by ANITA YULIATI titled 'Proliferation and Osteogenic Differentiation of Bone Marrow-Derived Mesenchymal Stem Cell After Exposure to Red Dragon Fruit Extract'. A copy of the acknowledgment mail is attached here with for your reference.

Thanking you
Editorial Team
Dental Research Journal-----
Dear Prof. Yulianti,

Dental Research Journal has received your manuscript entitled "Proliferation and Osteogenic Differentiation of Bone Marrow-Derived Mesenchymal Stem Cell After Exposure to Red Dragon Fruit Extract" for consideration for publication. The reference number for this manuscript is "DRJ_577_18". Kindly quote this in correspondence related to this manuscript.

The manuscript is being reviewed for possible publication with the understanding that it is being submitted to one journal at a time and have not been published, simultaneously submitted, or already accepted for publication elsewhere either as a whole or in part. Online submission of this article implies that the corresponding author has the written consent from all

the contributors to act as corresponding author.

You are requested to send the signed copyright/contributor form within two weeks. The form can be uploaded as a scanned image from your area. The decision about the manuscript will be conveyed only on receipt of the form. High resolution images are required at the time of acceptance, you should be notified separately for the same, if images uploaded by you are not of printable quality.

The Editors will review the submitted manuscript initially. If found suitable, it will follow a double-blinded peer review. We aim to finish this review process within a short time frame, at the end of which a decision on the suitability or otherwise of the manuscript will be conveyed to you via this system. During this process you are free to check the progress of the manuscript through various phases from our online manuscript processing site <http://www.journalonweb.com/drj>.

The journal allows free access (Open Access) to its contents and permits authors to self-archive final accepted version of the articles on any OAI-compliant institutional / subject-based repository. The journal does not charge for submission, processing or publication of manuscripts and except for color reproduction of photographs.

We thank you for submitting your valuable work to the Dental Research Journal.

Yours sincerely,
Editor
Dental Research Journal
