**I dedicate this thesis to....**

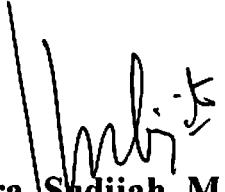

**My beloved mother and my late father**

وَمِنْ آيَاتِهِ خَلْقُ السَّمَوَاتِ وَالْأَرْضِ وَأَخْتِلَافُ أَلْسِنَتِكُمْ وَأَلْوَانِكُمْ  
إِنَّ فِي ذَلِكَ لَآيَاتٍ لِّلْعَالِمِينَ ﴿٢٢﴾

And among His Signs is the creation of the heavens and the earth, and the difference of your languages and colours. Verily, in that are indeed signs for men of sound knowledge. (030:22)

## ACKNOWLEDGEMENTS

In the Name of Allâh, the Most Beneficent, the Most Merciful. All the praises and thanks be-to Allâh, the Lord of the 'Alamîn (mankind, jinns and all that exists). My first sincere gratitude goes to Allah the Almighty for giving me His blessings so that I can finish this burden of finishing my study. Secondly, to the greatest Allah's messenger, Prophet Muhammad SAW, for lighting my life with the eternal of the most eternal truth, Islam.

My thesis advisor, Mrs. Sudijah, for her input, editing, patient guidance and understanding that make me able to accomplish this thesis. The thesis examiners: Mrs. Dra. Anna Dewanti, Dipl.TESL.; Mr. Drs. Hariawan Adji, ST., Mkes.; and Mrs. Sudijah, MA., for their comments and suggestions which gave me a worthy input in revising this thesis.

The most important person in my life: my beloved mom and my late father. My highest gratitude to you mom for your tenderly love in raising and leading the family as a single parent. For my late father, R. Tjahjono Prawirosoedirjo, for giving me the fabulous 12 years greatest life with you. I will never forget your guidance and advise for the sake of myself. I am sorry Pa, for not being able to fulfill your demand: to be a physician. But believe me that I've been trying very hard for being a valuable person in this world -- just like you taught me. Hope you rest in peace in the Allah's eternal world.

My beloved sisters: Mbak Atik, Mbak Iin, and Mbak Nining. Thank you for everything. You are the greatest sisters I have ever had. My brothers in law: Mas Singgih, Mas Edy, and Mas Herman, thank you for being my "real brothers" that I have never had.

My lovely nieces and nephews: Vanya, Saretta, Diaz, Arka, Dyota, and cute little Lizziyah.

Special acknowledgments are also posted to the staffs of Management Consultant and Public Accountant J.Tanzil &Co, Valuation and Property Consultant PT Vigers Indonesia, and Jawa Pos Group (IDN), for letting me take a valuable data research for this thesis.

My gratitude also goes to all my best classmates during my “six years” of college: Almo (for the encouragement so that I can finish my thesis), David (for accompanying me to do the field research), and Naning (for lending me some reference books), Luqman Farid, Putu Lucky, Titik, Yenny, “the wise guy” Satriya, and “the marvelous girl” Lusi Agustina. The “gentlemen’s clubs” of 94: Tutuk, Denny, Yanuar. Thank you for the joy and laughter. To “my religious man” Achmad Fanani for the pray.

I would like to thank to my best teacher in Indonesian journalism, Mr. Saiful Anam, the chief of East Java-Surabaya Bureau of Gatra Magazine, for giving me chance to start my career in journalism. To all the editorial staffs of my new “home” of work -- The Indonesian Daily News: Mas Ribut, Mas Aim, Mas Suk, and my other colleagues. To Widodo and Tatang “Gunawan Mohammad” Mahardika, for being such good fellow journalists. Thank you for the fabulous help you give to me to handle Surabaya Page. To Mr. John R. Mohn, Kansas’s “best journalism teacher”, for sharing your knowledge and input to improve my editing skill. Thank you for the “graduation present” you gave to me.

The other credits go to Cak Heru and Agus for helping me with the PC. To Agung, Dicky, Nabil, and Sugiharto, for the support and for being such nice friends.

Last but not least, I would like to show my very deep appreciation to the sweetest Deasy Rezeki of Dentistry Faculty for giving me such tremendous feeling which I have never had before. Speaking the truth, you are my inspiration spirit to accomplish this thesis.
