Characterization of the complete mitochondrial genome of *Chionobathyscus dewitti* (Perciformes, Channichthyidae)

The screenshot displays the Author Dashboard on the Manuscript Central website. The dashboard lists several manuscripts, with the most recent one being the focus of the evidence. The manuscript titled "Characterization of the complete mitochondrial genome of *Chionobathyscus dewitti* (Perciformes, Channichthyidae)" is highlighted in orange. It was submitted by Kim, Hyun Woo and accepted on October 27, 2019. The dashboard also shows a previous major revision for a manuscript titled "Northern mud gudgeon, *Cymatogaster polynesiensis* (Perciformes, Eleotridae) and Phylogenetic Implication" submitted by Kim, Hyun Woo, which was accepted on May 12, 2021. The dashboard includes a sidebar with navigation options such as "Manuscripts with Decisions", "Manuscripts I Have Co-Authored", and "Legacy Instructions". The browser's address bar shows the URL "mc.manuscriptcentral.com/tmdn".
