

Correction to: Biometric technology in “no-gate border crossing solutions” under consideration of privacy, ethical, regulatory and social acceptance

Susanne Binder^{1,2} · Andrea Iannone³ · Chad Leibner⁴

Published online: 18 February 2021

© Springer Science+Business Media, LLC, part of Springer Nature 2021

Correction to: Multimedia Tools and Applications (2021)
<https://doi.org/10.1007/s11042-020-10266-0>

There are two references that need to be cited and added in the list of references of the original publication. These two should be cited at the end of the 5th paragraph of section 3, and one of these needs to be cited in the Fig. 11 caption. In addition, the first two lines of the 5th paragraph of section 3 needs to be revised. The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s11042-020-10266-0>
