**Erratum to: Hum Genet (2008) 123:557–598**  
**DOI 10.1007/s00439-008-0511-y**

The authors forgot to include the following crucial footnote to Tables 1, 2 and 3:

A regular updating of the tables reporting genetic associations of susceptibility to malaria, tuberculosis and HIV/AIDS will be posted on the web site of the Center for

Human Genetics Research at Vanderbilt University at the following address: <http://chgr.mc.vanderbilt.edu/page/supplementary-data>.

The online version of the original article can be found under doi:[10.1007/s00439-008-0511-y](https://doi.org/10.1007/s00439-008-0511-y).
