

## OPENSIUC'S RESEARCH PAPERS SERVICE

### WHAT IS OPENSIUC?

OpenSIUC is a service provided by Morris Library that stores, preserves, manages, and make publicly available the research produced at SIU-C, including research papers. OpenSIUC allows you, at no cost, to make your work available to the widest audience possible. Submission is easy and typically takes less than ten minutes.

## WHY USE OPENSIUC'S RESEARCH PAPERS SERVICE?

- The content is easily discovered using common search engines, including Google.
- Posting in repositories has been shown to increase the visibility and use of articles and research papers.
- Hiring boards and others can quickly find and view your document, from any location in the world and on any computer with an internet connection.
- You can access and download your research paper anytime and anywhere for free.
- You can choose to receive monthly emails which provide you with download statistics for your research paper.
- Supplementary files, in any format, can be included.
- Word files are automatically converted to pdf.
- The URL assigned will never change.
- It's easy to submit!

## WHAT ARE THE IMPLICATIONS FOR PUBLISHING?

Many journal publishers now allow posting of published content in institutional repositories. Rules vary by publisher, and the OpenSIUC staff can help identify publisher's policies. Many publishers' existing policies are available at <http://www.sherpa.ac.uk/romeo/index.html>
