

## THE SELF

BY CHARLES EUGENE BANKS

Out of the cosmic cell I came,  
Out of the voiceless deep:  
Kept alive by a mystic flame,  
Fighting endless sleep:  
Groping upward, dumb and blind;  
Trackless the way before:  
Mystery shrouding all behind  
Whispering "Nevermore"!

Fish and serpent, soaring bird  
Sweeping the azure dome;  
Lion, leopard, caveman, Kurd,  
Each gave me a home.  
Field or forest, man or beast,  
Weapon of claw or stone,  
Always slaughter on flesh to feast,  
Always the sun-bleached bone.

Stark barbarian, pirate bold  
Sailing the wine-dark sea:  
Miner braving the Arctic cold,  
These I came to be.  
Always the eager endless quest,  
Always the inward fire,  
Always the better out of the best,  
Always the heart's desire.

Urged by greed I rose to power,  
I soared on eagle wings,  
I fought for glory, had my hour  
In company of kings ;  
Then down again to dreamless dark,  
Close sealed in royal tomb,  
With never a stroke of time to mark  
The years of my golden gloom.

I woke to Beauty ; my senses thrilled  
With odors of evening cool ;  
A night bird sang, the pale moon spilled  
Silver in dusky pool.  
Winds roared, trees moaned ; on shoreward seas  
Plumed horsemen madly strove ;  
Flowers blushed in the amorous breeze  
And I stood at the door of Love.

Calm-eyed Justice, crimson gowned,  
Miser counting his gains ;  
Martyr deep in dungeon bound  
Straining against his chains ;  
Yoeman, Noble, Hero, Seer,  
Japheth or Shem or Ham,—  
All I know of the past is here,  
All I have been I am.

The **JOURNAL OF RELIGION**

To read *The Journal of Religion* is to keep in the vanguard of those who are thinking about the problems of present day religious life.

This non-sectarian periodical provides for its readers an unprejudiced, critical account of modern religious thought. It attempts to reveal the inner reality of religion, rather than to defend a doctrinal system. It consistently avoids cant, dogma, technical abstruseness; and constantly emphasizes the interrelationship of religious life and social environment.

This scholarly journal is indispensable to the serious reader interested in religion as a living, spiritual reality in society, in history, and in individual experience.

*The Journal of Religion* is edited by Shirley Jackson Case with the cooperation of the Divinity Faculty and Conference of the University of Chicago. It is published quarterly at the subscription price of \$3.00 a year.

If you wish to examine *The Journal of Religion* a sample copy will be mailed you free upon request.

# “SCIENTIA”

INTERNATIONAL REVIEW OF SCIENTIFIC SYNTHESIS

*Published every month (each number containing 100 to 120 pages)*

## EDITORS

F. Bottazzi - G. Bruni - F. Enriques

**IS THE ONLY REVIEW** the contributors to which are really international.

**IS THE ONLY REVIEW** that has a really world-wide circulation.

**IS THE ONLY REVIEW** of scientific synthesis and unification that deals with the fundamental questions of all sciences: the history of the sciences, mathematics, astronomy, geology, physics, chemistry, biology, psychology and sociology.

**IS THE ONLY REVIEW** that by means of enquiries among the most eminent scientists and authors of all countries (*On the philosophical principles of the various sciences; On the most fundamental astronomical and physical questions of current interest; On the contribution that the different countries have given to the development of various branches of knowledge; On the more important biological questions; On the great economical and sociological international questions*), studies all the main problems discussed in intellectual circles all over the world, and represents at the same time the first attempt at an international organization of philosophical and scientific progress.

**IS THE ONLY REVIEW** that among its contributors can boast of the most illustrious men of science in the whole world. A list of more than 350 of these is given in each number.

The articles are published in the language of their authors, and every number has a *supplement containing the French translation of all the articles that are not French*. The review is thus completely accessible to those who know only French. (*Write for a free copy to the General Secretary of “Scientia,” Milan, sending 12 cents in stamps of your country, merely to cover packing and postage.*)

**SUBSCRIPTION: \$10.00, Post free**

**Office: Via A. De Togni 12, Milan (116)**

*General Secretary: PAOLO BONETTI*

# SCIENCE PROGRESS

A QUARTERLY REVIEW OF SCIENTIFIC  
THOUGHT, WORK, AND AFFAIRS

Edited by Lieut.-Col. Sir RONALD ROSS  
K.C.B., K.C.M.G., F.R.S., N.L., D.Sc., LL.D., M.D., F.R.C.S.

*Published at the beginning of JANUARY, APRIL, JULY, OCTOBER*

*Each number consists of about 192 pages, contributed by authorities in their respective subjects. Illustrated. 6s net. Annual Subscription, including postage, 25s, 6d.*

SCIENCE PROGRESS owes its origin to an endeavor to found a scientific journal containing original papers and summaries of the present state of knowledge in all branches of science. The necessity for such a journal is to be found in the fact that with the specialization which necessarily accompanies the modern development of scientific thought and work, it is increasingly difficult for even the professional man of science to keep in touch with the trend of thought and the progress achieved in subjects other than those in which his immediate interests lie. This difficulty is felt by teachers and students in colleges and schools, and by the general educated public interested in scientific questions. SCIENCE PROGRESS claims to have filled this want.
