# Create Change

## Create Change for the Unhoused

HALINA HERC

Lack of affordable housing is the leading cause of homelessness. Providing safe shelter and a sense of 'normal' is vital. No individual should have to rely on a shopping cart to be their home. Everyone is deserving of a roof over their heads and a bed to sleep in.

## Entranced

SARAH TARQUIN

This piece is based on the feeling of being completely absorbed into something whether it is an activity, work, or the feeling of being high, I wanted to capture the feeling of being completely in a trance because of an external force. I feel this way a lot with music, where the melody and rhythm completely govern my emotions and how I view the world at that moment. Even when creating this work, I was completely absorbed in the artwork and the act of creating. Colors feel brighter, sounds get drowned out and it is just you and the art.
