*Dear Possum*

I thought death had undone about that many. A few more, a few less.  
It was hard to miss them at the post office.

But there are master lists of the undone, databases. You can look  
them up on Google. Insurance companies maintain them.

South of San Francisco there's an entire city of the dead, called  
Colma. You can see it from the freeway.

Wyatt Earp is undone there, in his Stetson.
