# Publisher Correction: The mutational impact of culturing human pluripotent and adult stem cells

Ewart Kuijk , Myrthe Jager , Bastiaan van der Roest , Mauro D. Locati, Arne Van Hoeck , Jerome Korzelius , Roel Janssen , Nicolle Besselink , Sander Boymans , Ruben van Boxtel  & Edwin Cuppen 

Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-16323-4>, published online 19 May 2020.

The original version of this Article contained errors in the Results and Discussion sections, where 8 base substitution types incorrectly read “C > T.” The correct version states “C > A” in place of “C > T.”

The Results also incorrectly represented 3 base substitution types with the symbol “-”. The correct version uses “>” instead of “-”.

This has been corrected in both the PDF and HTML versions of the Article.
