

Tuesday's Child: MY EXPERIENCE AS A BEHAVIORAL INTERVENTION INTERN

Tuesday's Child

Tuesday's Child, a nonprofit organization that helps families address behavioral issues through individualized training for both parents and children. Their evidence-based program centers on an individualized approach that enables the team to address each family's specific situation.

Behavioral Intervention

Behavioral intervention refers to a range of techniques and strategies aimed at addressing and modifying problematic behaviors in children. Interventions are designed to help children develop more adaptive and socially acceptable behaviors while reducing behaviors that are disruptive, harmful, or interfering with their functioning.

My Role

- Multidisciplinary Consultation
- Social-Emotional Lesson Planning
- Research

Social Work Strategies

- Person in Environment
