Abstract

Garden Theatre is a fifteen-minute piece for voices and chamber ensemble, which sets to music two poems by William Carlos Williams entitled *Daisy* and *Queen Anne's Lace*. This piece is divided into two scenes (movements), each comprising three distinct sections. *Garden Theatre* will combine allusions to early music elements such as forms and methods of motivic development with a modern music aesthetic.

In *Garden Theatre* there are four main pitch collections from which pitch material is derived. Continuity is promoted throughout the work by using many large and small-scale inter-referential elements such as recurring instrumental textures, pitch structures and thematic material. *Garden Theatre* also explores varying degrees of distinction between background and foreground. The utilization of a variety of vocal styles and techniques will be a focal point of *Garden Theatre*.

Suggested Stage Set-Up

Performance

While each scene of Garden Theatre is divided into three sections, there should be no pause in between each section.

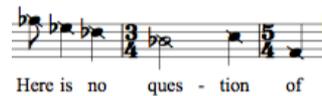

It is not necessary for the audience to be aware of the characterizations of the vocal performers.

Duration: approximately 18 minutes.

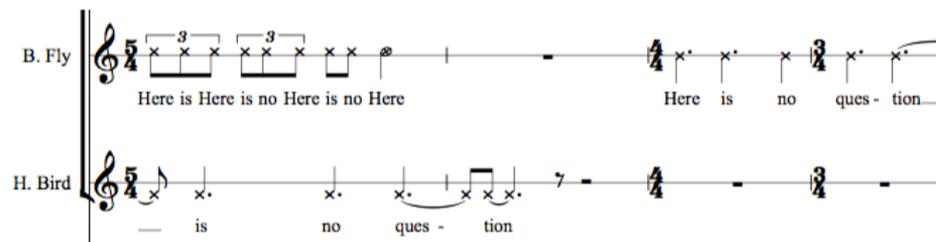

Notation

The vocal notation in Garden Theatre employs four types of note heads – each representing a different method of declamation.

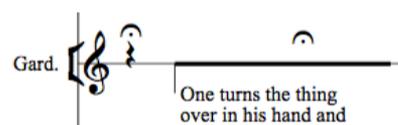

1. Traditional – the traditional note head represents a traditional style of singing.
2. Slashed note head – this note head represents a mixture of singing and speaking. With no or minimal vibrato, the singer is to begin the syllable on the corresponding pitch and allow the natural inflection of the spoken word to follow. Syllables which are set to longer durations will have a temporally extended, almost exaggerated inflection following the initial attack of the syllable on the corresponding pitch.

3. X'd note head – this note head is always combined with a single line staff. These notes are whispered or spoken with an indeterminate pitch where the single line of the staff represents the natural pitch range of the speaking voice. Notes above the line are whispered or spoken above the natural range, taking into account the contours created by the distance of each note to the line. Notes below the line follow the same principle. In all cases, the performer should strive for the sound of a stage whisper. Where the accompanying textures would make a stage whisper inaudible, the performer is to add a more voiced sound as necessary to blend in with the ensemble. For this reason, no dynamic markings are given in these passages.

4. Extended note heads – this note head marks the beginning, duration and end of the allotted time in which the performer is to speak the corresponding text. The text should be spoken in a natural rhythm, pitch and voice in the dynamic necessary to be heard above the accompanying ensemble.

Text

The text for Garden Theatre is two poems by William Carlos Williams first published in 1921 in the collection of poetry titled *Sour Grapes*. The poems are titled 'Daisy' and 'Queen Anne's Lace', named for the flowers for which they are studies.

Queen-Anne's Lace

Her body is not so white as
anemone petals nor so smooth—nor
so remote a thing. It is a field
of the wild carrot taking
the field by force; the grass
does not raise above it.
Here is no question of whiteness,
white as can be, with a purple mole
at the center of each flower.
Each flower is a hand's span
of her whiteness. Wherever
his hand has lain there is
a tiny purple blemish. Each part
is a blossom under his touch
to which the fibres of her being
stem one by one, each to its end,
until the whole field is a
white desire, empty, a single stem,
a cluster, flower by flower,
a pious wish to whiteness gone over—
or nothing.

Daisy

The dayeye hugging the earth
in August, ha! Spring is
gone down in purple,
weeds stand high in the corn,
the rainbeaten furrow
is clotted with sorrel
and crabgrass, the
branch is black under
the heavy mass of the leaves--
The sun is upon a
slender green stem
ribbed lengthwise.
He lies on his back--
it is a woman also--
he regards his former
majesty and
round the yellow center,
split and creviced and done into
minute flowerheads, he sends out
his twenty rays-- a little
and the wind is among them
to grow cool there!
One turns the thing over
in his hand and looks
at it from the rear: brownedged,
green and pointed scales
armor his yellow.

But turn and turn,
the crisp petals remain
brief, translucent, greenfastened,
barely touching at the edges:
blades of limpid seashell.

The musical score is arranged in a system with eight staves. The top four staves are for woodwinds: Flute (Fl.), Oboe (Ob.), Clarinet (Cl.), and Bassoon (Bsn.). The fifth staff is for the Gardener (Gard.), with lyrics underneath. The bottom four staves are for strings: Violin I (Vln. I), Violin II (Vln. II), Viola (Vla.), and Cello (Vc.). The score is in 3/4 time and consists of four measures. Measure 102 starts with a treble clef, a key signature of one sharp (F#), and a dynamic marking of *mf*. A trill with a flat (tr^b) is indicated above the first note. Measure 103 has a 5/4 time signature and a dynamic marking of *mp*. Measure 104 has a 4/4 time signature and a dynamic marking of *mf*. Measure 105 has a 3/4 time signature and a dynamic marking of *f*. The Gardener's lyrics are: "wise He lies on his back it is". The woodwinds and strings provide accompaniment with various dynamics and articulations.

Detailed description: This page of a musical score covers measures 136, 137, and 138. The score is for a full orchestra and two vocalists. The woodwind section (Flute, Oboe, Clarinet, Bassoon, and Guitar) and string section (Violin I, Violin II, Viola, and Violoncello) are all playing in a very loud dynamic, marked *fff* (fortississimo). The vocalists, Gardener and H. Bee, are singing in a similar dynamic. The Gardener part includes the lyrics "cool there Ah Ah". The string parts feature complex rhythmic patterns, including triplets and quintuplets. The score is written in 5/4 time, with a key signature of one sharp (F#). The measures are divided into three systems, with the first system containing measures 136 and 137, and the second system containing measure 138.
