### I. Purpose

This policy sets forth the standard for bonfires and open area burns on property owned by the Board of Regents of the University System of Georgia, for and on behalf of Georgia Southern University or conducted by any Georgia Southern University sponsored organizations.

### II. Policy Statement

For the safety and well-being of our faculty, staff, students, visitors, and property owned by the Board of Regents of the University System of Georgia (BOR), Georgia Southern University (University) does not allow bonfires and open area burning on any property which is owned, operated, or occupied by the BOR.

### III. Exclusions

This policy does not apply to grills on campus that are maintained by the University.
