Dear NDLS Community,

Last November, the Notre Dame Law School partnered with the South Bend Medical Foundation for our first annual blood drive. We had a wonderful group of passionate blood donors. Our efforts helped save the lives of our friends and neighbors in their time of need.

Here are the results from our 2023 blood drive:

Total Number of Successful Drive Units: 31

Total Number of Deferrals: 4

One unit of blood can save the lives of up to 3 people; a total of 93 people could have potentially benefited from our drive. The blood collected went to help recipients suffering from cancer, trauma, blood disorders, surgery, pregnancy complications, or several other medical emergencies.

Let's continue this generous gesture to help our community. Look into your heart and if possible sign up to be a blood donor during the October 14th NDLS Blood Drive. To register as a donor, please scan the QR code on the attached poster. The SBMF Blood Donor Mobile Bus will be parked between Eck Hall of Law and McKenna Hall. Please check in with a SBMF Team Member in Clynes Atrium before your appointment.

Kind regards,

Tina
