

ONCE MORE, ELVIS

A. ROSS ECKLER

Morristown, New Jersey

In the February 1993 **Word Ways**, Darryl Francis embedded 45 rearrangements of the letters EILSV in various dictionary words and proper names. If one doesn't insist that the letters be adjacent in a word, all 120 rearrangements can be spelled out in words. In the list below, I have restricted myself to boldface words (including inferred forms such as plurals) found in Webster's Second or Third, giving preference whenever possible to solid entries such as **pELVIS** or **convuLSIVE**.
