

An opinion is just someone's word.  
I've been careful with rumors I've heard,  
Then witnessed a fact  
With context intact.  
I came, I saw, I concurred.

## A POEM

SIR JEREMY MORSE  
London, England

### POP-STAR

Oh, I hate thee, Helty Tait.  
Thy hoity-toity hat,  
Hate that!

Thy teat-to-toe tattoo,  
That too!

Thy too too toothy teeth I hate.  
O, Helty Tait!
