

## OR OR ORR

Louis sends a very rhymistic poem, not found even in the lost years of apple-sauce. It's a good one for closing up the Kickshaw shop.

Either Mary Orr  
Or  
Bobby Orr  
Took my oar  
To dig ore  
In the state of Or.  
Or  
Do I err?  
Was it him or her?

## A CURIOUS CROSSWORD
